### Key update for the month

This is a personal update this month. My twins are in year 5 and are dyslexic. They had a really bad year in year 2 and year 4 teacher wise (and they were in separate classes in year 4!). Long story short we have decided to IMMERSE them in tutoring with a specialised tutor to get them 'ready' for high school. At a cost of 3K per month. So I have taken on a contract job for the year. I don't think this will affect Twinfo, but will reassess if it does. Please let me know if you have any concerns.
